ANNOUNCEMENT

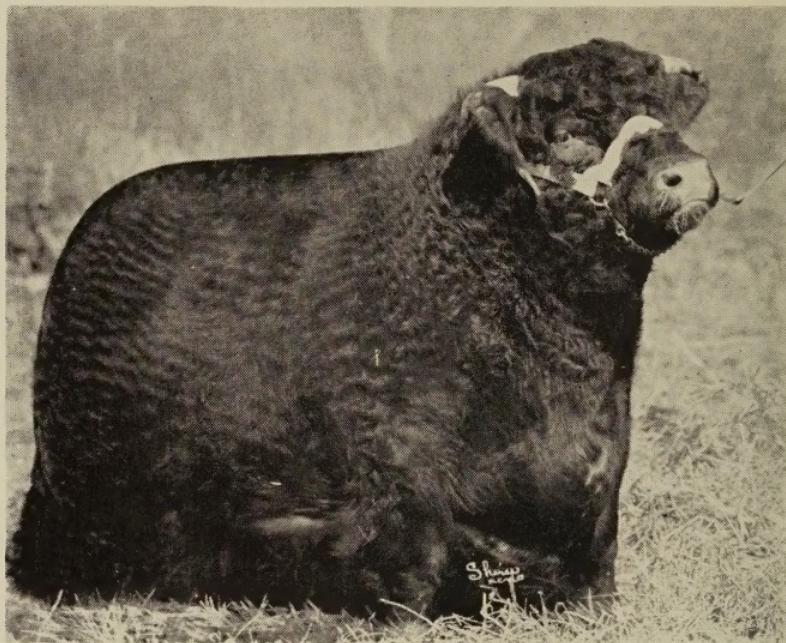

I wish to extend a cordial invitation to all lovers or good, Short-horn cattle to attend our dispersion sale of 31 lots, and 18 calves at foot on Saturday, Nov. 3, 1962. Sale is to be held at the Shildberg Farm, 10 miles east on highway 92 and 1½ miles north on graveled road. It is, with great pleasure, but deep regret, that I am offering the herd for public sale. Our reason for dispersing of the herd at this time is due to the fact that my son, Vincent, moved to the Shildberg Ranch, a 750 acre farm, and he is in partnership with the owner, raising commercial cattle. Therefore in addition to my age, I feel that I cannot continue operating the farm and maintain this herd under the existing circumstances.

I have been breeding shorthorn cattle since 1910 and, while never keeping a very large herd, have always made efforts to cull my cow herd closely so as to maintain a small, but select group. Many of the top breeding cows in this herd, have never previously been offered for sale. I am confident that during my 50 years of breeding Short-horn cattle, I have been careful in the selection of herd bulls. Our last sire, we purchased, was Lane View Leishman 17th, at the Iowa Royal 1960 sale from Glen Struve, and I consider him an outstanding breeder. The last year's crop of 22 calves, were tops. Sold most of them for 4-H projects, except five young bulls.

I consider this an outstanding chance to secure a tried and proven sire from this great bull, that will do well in any herd. My cattle, modern type and pleasing blood lines, will prove both satisfactory and profitable for their new owners. I will appreciate your presence on sale day.

Sincerely,
Geo. F. Gruss & Sons

LANE VIEW LEISHMAN 17TH—We purchased in the 1960 Iowa Royal sale, Glen Struve herd. He is proving to be an outstanding sire, a breeder of good, top calves. We sold nearly all 1961 calves for 4-H and FFA projects, many blue ribbons winners. He is 4 years old and is sound and active. Has been a sure breeder for us and he should go to head some good herd.
